RE: Sawbill Village

Dear Minnesota Housing:

[Name of company] supports the Sawbill Village development in Tofte, Minnesota proposed by Rob Dieter of Red Five LLC—a Veteran owned and operated company. We employ [number of full-time employees]. We are located [number of miles] from Tofte—site of the proposed development.

[Insert a paragraph that addresses how the lack of available rental housing has impeded your ability to recruit and hire employees.] Sawbill village will help the critical housing issue in Tofte Minnesota and Cook County by providing 6 new two-bedroom housing units that will be available to **year-round** residents for affordable rental rates. Having adequate affordable housing in our community will help us recruit and hire the staff necessary to operate our business.

Sincerely,

[Authorized Company Representative]
